Message from the Principal

Assalamu Alaikum wa Rahmatullahi wa Barakatuhu

My hope is that you all had a restful holiday and are ready to challenge yourselves as we move into our third term before the end of the school year.

As you are aware your children will arrive home with their term 2 report cards. On April 7th and 8th the office will be booking phone-in appointments for parent-teacher conferences. The parent-teacher meeting will be held on Thursday, April 9th from 1:30 pm –6 pm. There are no classes on this day and the school will be closed to accommodate parent-teacher meetings and professional development day.

We have many exciting events planned for this month. The Qur'an competition finals, along with the Qur'an Celebration Assembly, and our schools panoramic photo, as well as the scheduled library days for both intermediate and primary grades and the academic assembly.

The Islamic teachers will be busy next week as they finish testing students for the Qur'an final. I would like to thank all students who made their best effort to compete in the Qur'an competition.

I would like to thank the PAC for organizing the bake sale earlier this week. As a final reminder, please submit re-registration packages to the office if you have not already done so. We are receiving applications from new students and would not be able to guarantee spots for late re-registration.

Fee Aman Allah,
Jazakum Allah Khair,
Ebrahim Bawa
Principal

Thank you for your support!

Gulberg Market and Meatshop generously donated cricket bats and wickets for our students to practice their sportsmanship and athleticism. Also of note Gulberg provided tasty healthy samosas for the first PAC Smart Snacks Day.

Theme of the Month-

Excellence

Narrated Abu Hurayrah, may Allah be pleased with him, that: The Prophet (peace be upon him) said to the nearest meaning:

“It is part of the excellence of a person’s Islam that he should discard that which is of no concern to him.”

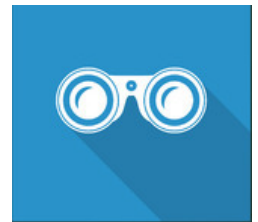

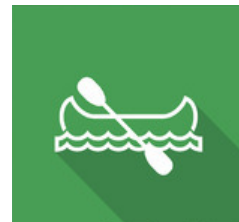

At-Tirmidhi

Lessons to be learned from the Hadith:

- * Islam urges high manners;
- * Islam directs mankind to whatever good is for them in this life and the hereafter;
- * Being nosy is not an Islamic characteristic;
- * Interfering in what does not concern you will lead you to face problems and consequences;
- * Enjoining the good and forbidding the bad is not part of being nosy.

Grade 7 Camp Jubilee June 5th

Message from the Board of Education

Assalamu Alaikoum wa Rahmatullahi wa Barakatuhu

On behalf of the Board of Education I would like to thank you for your commitment to Islamic Education and for entrusting us with the education of your most valuable asset, your children. Education is one of the greatest gifts we can provide for our children and encapsulating this within the principles of Islam provides the grounding our children need to be successful in all aspects of their lives. Your participation in the education of your children plays an integral role in their overall success. This involvement can be demonstrated by simply asking your child what they learned at school or by being an active member in the Parent Advisory Council (PAC). Regardless if how you choose to participate your contribution is invaluable and greatly appreciated. Should you have any questions or comments please feel free to contact me at vpeducation@thebcma.com.

Respectfully,
Raza Mirani
Acting VP of Education

Student Tips: Electronic Email Copy Newsletter

TRY TO REMEMBER TO USE AN
OUTDOOR VOICE OUTSIDE ONLY

Things get exciting in the classroom at times and you might be happy about something that happened over the weekend, but you still need to remember to not yell out in the classroom and the hallway especially in front of the office area. When one person begins to talk loud, someone else talks a bit louder, and this chain continues until the entire room is filled with loud voices. Help your teacher out by whispering or talking in a low voice.

Shhh...
